Exceptional Washroom &  
Changeroom Systems

## Excalibur

Toilet and Shower Partitioning  
Floor Mounted / Free Standing

# Excalibur

The Excalibur Partition system has emerged as the top choice for Architects and Interior Designers when it comes to designing modern, luxurious washrooms, changing rooms, and end-of-trip (EOT) facilities. Its innovative floor-mounted system has garnered immense popularity due to its outstanding features and benefits.

One of the key strengths of the Excalibur system lies in its robust construction and remarkable durability. Built to withstand heavy usage and wear, this partition system guarantees long-lasting performance, making it a reliable choice for high-traffic areas. Its sturdy design ensures stability and resilience, ensuring that it can withstand the rigors of daily use.

## Features
