Junior

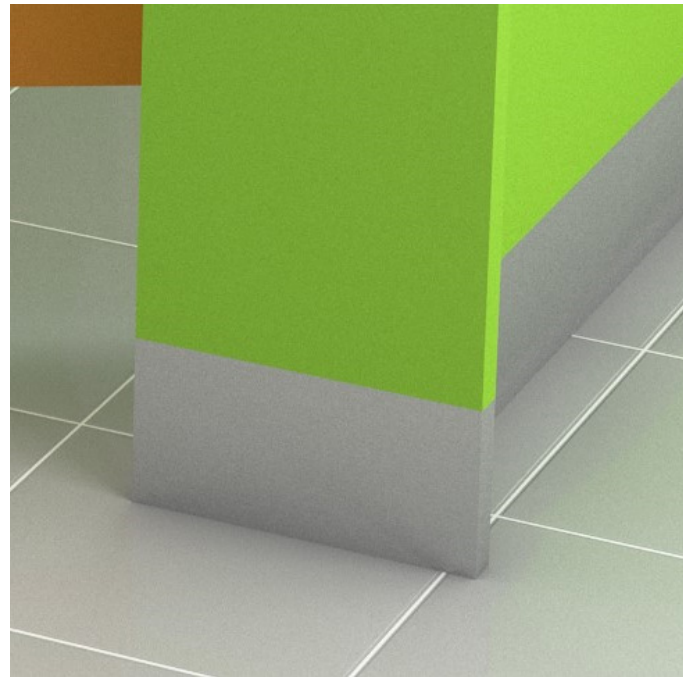

Toilet Partitioning

Floor Mounted / Free Standing

Junior

The bright, bold colours of the Junior Toilet Partitions create a warm and fun environment which gives the children a sense of safety and peacefulness. The floor mounted & free standing system offers strength, durability and easy cleaning combined with fresh, clean lines and vibrant colour contrasts.

Available in a wide range of colours, materials and finishes for both toilet cubicle construction, Junior features heavy duty rail and channels, concealed fix designer hardware, and an optional Saloon style door for reduced finger pinch risk
