Toilet and Shower Partitioning

Pedestal Mounted & Overhead Braced System

# Podium

Architects & Interior Designers have made the Podium Toilet Partition one of our most popular styles over many years. The Pedestal mounted & Headrail braced system offers strength, durability and easy cleaning combined with fresh, clean lines and vibrant colour contrasts.

Available in a wide range of colours, materials and finishes for both Shower and Toilet cubicle construction, Podium features a heavy-duty headrail and channels, concealed fix designer hardware, and an optional gapless rebated door for enhanced privacy.

## Features

- Pedestal Mounted for ease of cleaning
- Heavy Duty Aluminium Headrail for stability
- Concealed Fix designer hardware (Optional Slide Lock)
- Gapless Rebated Door for Privacy (optional)
- Suitable for hard wearing applications
- Wide range of finishes available (Laminex, Polytec & many more)
- Revit drawings available for Architects / Designers

## Warranty

- Material – 10 Years
- Installation by Cubispec – LIFETIME

## Board Options

- 13mm Compact Laminate
- 18mm, 25mm & 33mm Structural HMR MDF (Dry Areas only)
- 18mm, 25mm & 33mm MR Particleboard (Dry Areas only)

## Applications

- Schools / Universities
- End Of Trip Facilities
- Changerooms
- Factory / Commercial
- Restaurants / Hotels
- Shopping Centres
- Ablution Blocks
- Corporate Office
