WALL MOUNTED VANITY

The PODIUM Wall Mounted Vanity Range offers a durable and affordable solution that can be tailored to meet the specific needs of any Washroom or Changeroom.

Available in 450mm depth options, this modular product can be manufactured to any dimensions required.

Utilising Cubispec's industry leading prefabrication process, components are manufactured exactly as per the site measure and are preassembled in the factory to minimize wasted time & material onsite. With reduced time on site, Cubispec can ensure that the installation is completed on time and with minimal overlap with other trades.
